South Dakota Department of Social Services

"Received-Through" Policy
State General Fund Savings Report
Maximizing Federal Funds
SFY2025 - Savings January 1, 2025 through January 31, 2025

- At the time of this reporting, Care Coordination Agreements (CCAs) have been fully executed between IHS and each of the providers/systems listed below.
- Claims subject to the CCAs will be submitted for federal funding at 100% Federal Medical Assistance Percentage (FMAP) reimbursement rate, rather than the traditional FMAP rate for medical and pharmacy services (currently 58.07% federal).
- The difference between what the federal government will now fund at 100% leveraging the "Received Through" policy vs. what the federal government would otherwise have funded, is state general fund savings to the South Dakota Medicaid budget.
- State general fund Fiscal Year-to-Date savings to South Dakota Medicaid are detailed below.
- Green targets are at or above estimated projections based on completed payrolls YTD. Current threshold = 59.62% (31/52).
- The savings leveraged will be used to fund recommendations of the SD Health Care Solutions Coalition, increase provider rates and share savings with providers.
- Actual Expenditures include general funds and unique recipients for services provided to all American Indian Medicaid recipients at that provider. Not all actuals would meet the criteria for received-through care and would not qualify for savings through this policy.
- SFY2024 final report can be found here.
