South Dakota Medicaid
BabyReady

The BabyReady is intended to improve maternal health outcomes through enhanced care coordination, services being provided in accordance with standards of care, and reducing barriers to care.

Program Objectives

Increase utilization of prenatal and postpartum care.

Provide and connect pregnant and postpartum women with supports.

Improve health outcomes for pregnant women and their babies

Benefits of Participation

In addition to an enhanced Per Member Per Month (PMPM) payment, providers will also receive enhanced payments for the following services:

- Patient-Focused Health Risk Assessment
- Person-Centered Care Plan
- Adequate Prenatal Visits
- Transition Care Plan
- Comprehensive Postpartum Visits

Payments are in addition to traditional fee-for-service payments. The established value of additional payment is up to $950 per recipient.

Provider Requirements

- Provide care in accordance with ACOG Guidelines.
- Offer care coordination services including health education, system and resource navigation, and transitional care coordination to actively engage and support patients.
- Initiate and support at least one initiative to reduce barriers to care within the BabyReady population.
- Collaborate with the South Dakota Department of Health by referring patients to their pregnancy programs and sharing relevant information with the programs.
